As a business law major, it is Unconstitutional.

This mandatory law that was issued for the nation was to stop solicitors from violating the private space of citizens. The new Jersey Residence are protected under Amendment 1(1791) Which states, Congress shall make no law respecting establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assembly, and to petition the Government for a redress of grievances.

Although The State of New Jersey's Cod for this matter may be more strict than other State's, New Jersey residence do have the right to privacy within their parameters.
